DRAFT PATHWAY FOR MOVING AND HANDLING IN FAMILY PLACEMENT

1. Referral received by DCFP
   - Alert CHAD OT team
   - Carers to be identified to receive generic M&H training with community Physio

2. SMHF alert therapy and nursing staff who will know the child via Systemone
   - Therapists and Nurses co-ordinate to visit child and initiate M&H plan. One professional to be identified as co-ordinator and will pull together all elements of the paper work including the 'pen pictures.'

3. M&H to be shared as relevant and filed
   - Review date planned
   - It was estimated that there would be 10 new referrals per annum
